Dear Beefmaster Breeders,

On behalf of the South Texas Beefmaster Breeders Association, Anthony Mihalski and I would like to invite you to this prestigious event, March 5-6, 2010. This year's sale is being held at the Farm & Ranch Club outside of Houston off I-10. Please see the map and hotel instructions on the cover of this catalog. Both the STBBA Futurity and Sale along with the Houston Magic are being exhibited and sold at one location.

This year's sale will include 19 open, 17 bred, 7 pairs/3-n-1s and 17 bulls with 1 proven donor with production selling. Anthony and I have screened each and every lot to insure your buying opportunities are of the quality you have come to expect in Houston. Over 120 lots of superior Beefmaster Cattle will sell in Houston the International week of March 1st. We welcome all of our Mexico friends to the entire week of festivities. The 61 lots in the Houston Futurity Sale are coming from 5 states. All of the cattle will be judged on Friday afternoon by John Newburn and Gene Kuykendall. Please join us as we will show the cattle in age order, a category at a time, in the futurity ring.

Friday night our friends Dalton and Kathy Skinner will host a steak and shrimp dinner with entertainment. They are great hosts and great folks. It should be fun. See the directions in this catalog to the Skinner's.

The STBBA Officers and Board have done an outstanding job to make your week more enjoyable and accesable. Please see the schedule of events and don't hesitate to call on myself, Anthony or any STBBA Board Member for help. SEE YOU IN HOUSTON!

Sincerely

A handwritten signature in black ink that reads 'Mike'.

Mike Green
Anthony Mihalski

**Beefmaster
Breeders
United**

Voluntary Classification Guidelines:

Cattle are visually inspected by a BBU field representative for desirable traits. Each animal is classified according to BBU's Standards of Excellence.

Any bull or female in the "U" category will be so designated on the BBU Certificate of Breeding along with the date and initials of the BBU field representative. To be presented for a "U" classification, a female must be a minimum of 8 months with no upper age limit and a male up to 24 months with a scrotal measurement of at least 30 cm taken between 320-410 days. Classification of Certified Beefmaster cattle is \$5.00 per head or \$350.00 per stop, whichever is greater.

Any bull or female in the "X" category will be removed from the registry by BBU's office and so noted by correspondence to the member. BBU will not charge the member a classification fee for an "X" animal.

Bulls must have a yearling scrotal measurement (taken between 320-410 days of age) of at least 30 cm to meet the "U" qualification. A measurement of 34 cm is the objective.

All cattle presented for classification must have permanent identification and must be certified or an application for certification must be presented to the field representative.

To receive a number score on a female, she must have already received a "U" classification and have had her first calf so the BBU field representative can evaluate udder and mothering ability as consideration of her numerical score. Two numbers will be given; one for conformation and one for underline.

To receive a number score bulls must have already received a "U" classification, be a minimum of twenty-four months of age with a current scrotal measurement of at least 34 cm. Two numbers will be given; one for conformation and one for underline.

Scrotal Circumference Scores:

SCORE	AGE		
	15-20 Mo. Old	21-30 Mo. Old	Over 30 Mo. Old
Very Good	More than 37 cm.	More than 39 cm.	More than 40 cm.
Good	31-37 cm.	32-39 cm.	33-40 cm.
Poor	Less than 31 cm.	Less than 32 cm.	Less than 33 cm.

**TERMS AND CONDITIONS OF SALE
ADOPTED BY BEEFMASTER BREEDERS UNITED
FOR BBU APPROVED SALES ONLY 3/28/09**

1. BIDDING: Each animal will be sold to the highest bidder without reserve.
2. BIDDING DISPUTE: The Auctioneer in charge will settle any dispute as to bids, and his decision on such matters shall be final.
3. TERMS: Terms of the sale are cash due upon sale, unless prior credit arrangements for the sale have been agreed upon in writing between the Buyer and Seller, in which event, the terms of the written credit arrangement between the Buyer and Seller for the sale shall prevail. The failure of a member buyer to pay the appropriate party the sale amounts when due may constitute a cause for exclusion from BBU pursuant to Article I, section 9 of the By Laws of BBU.
4. PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as the auctioneer declares it sold.
5. CERTIFICATE OF BREEDING AND/OR TRANSERS: All required paperwork will be transferred to the buyer at the seller's expense, upon settlement.
6. HEALTH: All animals will have appropriate certificates of veterinary inspection for travel to the sale site and will to the best of the seller's knowledge be eligible for interstate shipment, however, buyers need to be aware of their individual resident states requirements for shipment of cattle. Any and all testing will have been completed within thirty (30) days of the sale date.
7. ANNOUNCEMENTS: Any changes in information of any kind will be announced from the auction box and such announcements shall take precedence.
8. BREEDING GUARANTEES:
FEMALES: OPEN AND/OR EXPOSED FEMALES: Females younger than twenty-four (24) months of age can be sold as open. Open females are so guaranteed. Any female is considered a breeder if she is certified to be pregnant by a licensed veterinarian at the time of sale and/or has a nursing calf at side. Cows (including donor cows) with calves at side six (6) months or older must be certified to be pregnant by a licensed veterinarian.
SAFE IN CALF FEMALES have been examined by a competent veterinarian and are so guaranteed.
BULLS: Bulls eighteen (18) months or older are guaranteed to have passed a Bull Breeding Soundness Evaluation (BSE) and to have been certified a satisfactory potential breeder by a licensed veterinarian within forty-five (45) days prior to sale date. The results of the Breeding Soundness Evaluation (BSE) must be reported on a fully completed official form and attached to the health papers required for the sale.
9. If known to the seller, there must be a disclosure in the current sale catalog or from the box of any circumcision or other surgical alteration of any underline of any male or female and of any single egg or super-ovulation flush of any female sold in a BBU Approved Sale.
10. INHERITED DEFORMITIES GUARANTEE: All bred females are guaranteed not to produce a calf with an inherited deformity occurring in Bovine for a period of nine months following date of sale.
11. GUARANTEES: All guarantees, if any, shall be such as agreed upon between the seller and the buyer and are not those of BBU. Any representations made in Sale Catalogs, which are not expressly assured by these Terms and Conditions of Sale or the BBU Voluntary Approved Sales Agreements are those of the seller only and are not assured in any way by BBU.
12. RIGHTS AND OBLIGATIONS: The above terms and conditions of sale shall constitute a contract between buyer and seller of each animal and shall be equally binding upon both. Each sale or resale of an animal constitutes a separate transaction. Neither BBU, the sale manager nor any other person connected with the management of the sales assumes any liability, legal or otherwise, for any subsequent

**THIS IS A BBU APPROVED SALE AND FOLLOWS THE BBU VOLUNTARY
SALE AGREEMENT (on file at BBU office).**

BBU Mission Statement:

Our Mission is to enhance breeders' ability to raise and promote cattle based upon the founding
"Six Essential".

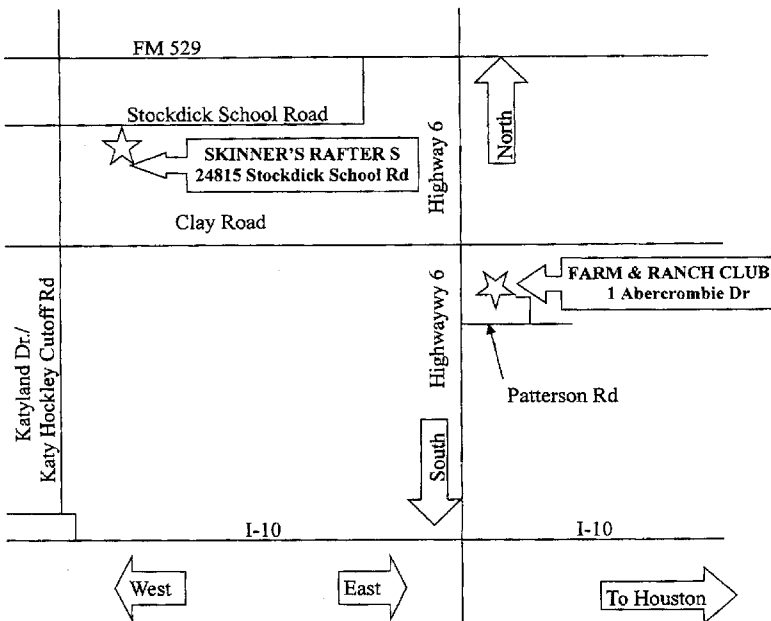

DISPOSITION
FERTILITY
WEIGHT
CONFORMATION
HARDINESS
MILK PRODUCTION

Our Vision is to increase worldwide demand for Beefmaster cattle.

Guiding Principles:

1. Always strive for breed improvement.
2. Never compromise integrity.
3. Expand... Encourage... Educate.

This has been the very best cow I have ever owned. She produces tremendous bull calves, all solid color, weans heavy calves herself and averages 11-12 embryos a flush. Phenotypically she is great. She is often mistaken for a Shorthorn former show calf at RLR. Selling confirmed bred to Bullet Proof, due May. Do not miss this great female. DNA 412A BT 8512A
